Full job description

Our client, a national provider of specialised managed services, they have an immediate requirement for an experienced Refrigeration Mechanic to join their team in Sydney.

The main aim of this role is to provide effective planned and unplanned service, maintenance and repairs to a wide range of equipment and infrastructure across the Sydney Metropolitan area. You will be responsible for providing a high level of customer service and actively participate and support the performance of your team.

To be successful in the role, you will possess relevant trade licences (ARTICK), a current driver's licence, proven knowledge and application of OH&S requirements, have service experience with commercial refrigeration equipment, the ability to manage sub contractors and proven experience in dealing with people in a diverse environment.

This is a permanent position that will offer a competitive salary package. Included in the package will be a company vehicle and mobile phone. Hours of work are Monday – Friday, with occasional on call required.

If you're interested in this role, click 'apply now' to forward an up-to-date copy of your CV. Alternatively, you can email your resume to thom.grew@hays.com.au or call Thom Grew on 0280626162.

If this job isn't quite right for you but you are looking for a new position, please contact us for a confidential discussion on your career.
