Full job description

About the Company

This Defence Prime offers a wide range of solutions that includes every possible intervention scenario: air, naval, land, space and cyberspace. Supported by its Global Parent reach its a fast growing business in the APAC region

Your new role

The main task of this role is to define the in region strategic plan and maintain it as well as be the "forward observer" for the Local Operating Divisions, collecting intelligence information, identifying future operational needs ("blue sky" phase) and acquisition plans in the medium to long term, budget, competitor situation and strengthening the "customer intimacy" for the entire perimeter, and representing and supporting the business in country. This will include building relationships with CASG and other country defence attaché's.

What you'll need to succeed

Experience from the armed forces and a defence prime, able to apply for Australian security clearance or hold one; operated in an industry engagement role across defence domains which has resulted in a strong network of one and two star relationships.
