Full job description

Location: Ulladulla NSW 2539

Established Longline fishing company working the Australian Fishing Zones seeks the following fulltime fishing industry positions. Ships Master, Ships Engineer, Master Fisher, Ships Officer, Deckhands & Fishing Hands, Seafood Processors.

This company maintains a drug & alcohol free workplace, employees can be subject to random drug & alcohol testing. This is a condition of employment.

You will be based in the above region but may be required to work in other locations subject to operational requirements.

Ship's Master, Ships Engineer (Fishing), Master Fisher, Ship's Officer - Successful candidates should ideally have at least 5 years relevant experience for ranked positions. Sea time of less than 5 years may be considered subject to your experience. Where you are required to hold a licence or registration, you MUST hold the appropriate tickets or you will not be considered.

Fishing and Deckhands should have no less than 1 year's Australian work experience and must be evidenced by sea-time or log book.

For all positions, you must provide verifiable references. You need to be strong as these position involves working on a deck, often in heavy seas and sometimes in cramped spaces. Ranked positions may include managing fishing operations aboard your vessel in consultation with the company owners. You will be away from home for several days or weeks. Normally there is usually a short turnaround before returning to sea.

For successful candidates, a salary or percentage of catch rate as per industry
